Dear Parent/Carer of S2 pupil

## **S2 Options Information**

Our S2 options process for S2 pupils is well underway and pupils have been thinking about their subject choices for next year. Although covid restrictions have prevented us from undertaking some of our usual activities, there are a number of ways in which we have been raising awareness of options for S3:

- Career adviser delivered workshops to S2 pupils before Christmas
- S2 subject choice assembly
- Departmental information week
- S2 virtual parents meeting

## **S2 Options meetings**

In "normal" circumstances, pastoral care staff would invite parents and S2 pupils in to school to discuss option choices for S3. Unfortunately, current covid restrictions have curtailed our plans at the moment. However, pastoral care staff have allocated meeting times to each S2 pupil, and parents will be invited to a virtual meeting through Parents Booking. These will take place over the coming weeks and we hope you will be able to join the virtual meeting. Meeting times will be sent to parents via email and posted on Teams.

## **Options Information Evening – Monday 17 January @ 7pm**

The invite to this virtual meeting will be posted on S2 Teams for you and your child to join us for the Options Information evening presentation Monday evening.

## **Subject information and options form**

Information for each subject is collated in the Options booklet and this, along with the options form has been posted on the S2 Teams page.

If you require any further information about S2 Options, please do not hesitate to contact your child's pastoral care teacher.

Yours sincerely,

Mr J Hammond
