😊 The PDA group are going to donate masks to Starter Packs Glasgow every week. This will allow the charity to include washable face masks in their packs. Well done to all the pupils who are making this happen 😊

Great work from S1.3 today on time intervals. They discovered just how long an extended Mr Tumble binge-out was for their teacher, at the weekend.

These are just some of the highlights of events, achievements and activities that have taken place in Term 1, despite the restrictions Covid-19 has placed on our every day running of the school.

We would like to take this opportunity to thank parents, carers, pupils and all staff at Linwood High School for working so hard to ensure that our young people could continue to have meaningful learning experiences and return to some semblance of normality.

Wishing you all a safe and happy Christmas & New Year.

Miss Macartney
